### EXPECTATIONS, REQUIREMENTS & COMMITMENT

- The directions of the Instructors and Assistants must be followed at all times.
- Lessons are between 11am and 1:00pm on Sundays unless otherwise advised. A responsible adult must be present at all times. The presence of parents/guardians on safety boats is at the Instructors' discretion.
- At the beginning of the course students will be shown how to care for the boats, thereafter they must do this. If parents/guardians do it for them, this prevents students learning the skill for themselves.  
Assistance may be provided for lifting tasks beyond the student's strength.
- The lesson does not end until the boats are properly washed, dried, packed away and students debriefed and signed off. The Instructors will tell the students when the lesson has finished.

- I hereby release Toronto Amateur Sailing Club (the Club), the Yachting Association of NSW (YA) and any representative thereof, from any claim or demand that I or my children may have, or be deemed to have, arising out of any loss or injury that may occur on or out of the activities of the Club and/or YA.
- I have read & understood that I must ensure my son/daughter wears suitable clothing which must include a properly fitting Personal Flotation Device Type 1 or 2, water shoes and suitable cold/sun protection.
- I consent to photographs of my son/daughter undertaking sailing activities being used by the Club for promotional purposes YES / NO (circle applicable).
