EXPECTATIONS, REQUIREMENTS & COMMITMENT

- The directions of the Instructors and Assistants must be followed at all times.
- Lessons are between 10:00am and 12:00pm on Sundays unless otherwise advised. A responsible adult must be present at all times. The presence of parents/guardians on safety boats is at the Instructor's discretion.
- At the beginning of the course students will be shown how to care for the boats, thereafter they must do this for themselves. If parents/guardians do it for them, this prevents students learning the skill for themselves.
- The lesson does not end until the boats are properly washed, dried, packed away and students debriefed and signed off. The Instructors will tell the students when the lesson has finished.

CONSENT AND INDEMNITY

- I understand that sailing includes activities which are inherently risky and although TASC has procedures that mitigate risk, students and their parents/guardians voluntarily accept the residual risks involved in activities.
- I confirm my son/daughter/ward is able to swim at least 50m in a personal flotation device and is physically strong enough to climb back into a capsized boat.
- I authorise the club to obtain all medical, hospital and ambulance assistance they deem necessary in case of injury or accident to the above-mentioned participant.
- I hereby release Toronto Amateur Sailing Club (the Club), Australia Sailing (AS) and any representative thereof, from any claim or demand that I or my family or the participant may have, or be deemed to have, arising out of any loss or injury that may occur on or out of the activities of the Club and/or Australian Sailing.
- I have read & understood that I must ensure my son/daughter/ward wears suitable clothing which must include a properly fitting Personal Flotation Device Type 1 or 2, water shoes and suitable cold/sun protection.
- I acknowledge photographs of my son/daughter/ward taken during sailing activities might be used for Club promotional purposes.

I have read and accept the above conditions for my son/daughter/ward to take part in the above-mentioned activity at Toronto Amateur Sailing Club.
